The author(s) acknowledged that the manuscript submitted is his/her/their own original work; all authors participated in the work in a substantive way and are prepared to take public responsibility for the work; all authors have seen and approved the manuscript as submitted; the manuscript has not been published and is not being submitted or considered for publication elsewhere; the text, illustrations, and any other materials included in the manuscript do not infringe (plagiarism) upon any existing copyright or other rights of anyone. It will not be submitted anywhere else for publication prior to acceptance/rejection by this Journal.

Notwithstanding the above, the Contributor(s) or, if applicable the Contributor's Employer, retain(s) all proprietary rights other than copyright, such as Patent rights; to use, free of charge, all parts of this article for the author's future works in books, lectures, classroom teaching or oral presentations; the right to reproduce the article for their own purposes provided the copies are not offered for sale. A copyright permission is obtained for materials published elsewhere and which require this permission for reproduction.

The corresponding author signs for and accepts liability for releasing this material on behalf of any and all co-authors. This agreement is to be signed by at least one of the authors who have obtained the consent of the co-author(s) where applicable. After submission of this agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be acknowledged.

I/We indemnify European Journal of Advances in Engineering and Technology and the Editors, and hold them harmless from any loss, expense or damage occasioned by a claim or suit by a third party for copyright infringement, or any suit arising out of any breach of the foregoing warranties as a result of publication of my/our article. I/We also warrant that the article contains no libelous or unlawful statements and does not contain material or instructions that might cause harm or injury.
