

**A
Special Issue
of**

*European Journal of Advances in
Engineering and Technology
(ISSN: 2394-658X)*

In the collaboration with

CRISE

Theme

**International Conference on Recent Developments in
Science and Impacts on Management, Art & Culture,
Social Sciences and Education**

On

23-24th January 2023

Organized by

Government College, Jaipur, Rajasthan, India

Special Issue Editors

Dr. Snigdha Sharma

Professor, Economics

Government College, Jaipur,

Rajasthan

Dr. Prakash Chand Singhadiya

Assistant Professor, Physics

Government College Jaipur,

Rajasthan

**Leon Publications, 6 LNP (Kundlawala),
Shriganganagar, Rajasthan, India 335002**

Content

S. No.	Title	Author	Page No.
1	Emerging Trends in English Literature: An Analytical Study	Deepankar Jaluthariya	1-3
2	Analysis of Training Functions in a Biometric System	Neeraj Singh Yadav, Dr Kaushal Kumar	4-9
3	Comparison of Financial Performance of Selected Financial Institutions in India- Special Reference to Private Banks, Public Banks and NBFCs	Manisha Sharma, Dr. Anita Rana	10-22
4	India's Progress towards Cashless Economy: Recent Trends and Challenges	Balaram Kasana	23-31
5	Effect of negative charge dust on ion-acoustic dressed solitons in plasmas	J K Chawla, M. Rawat, Mandot and P C Singhadiya	32-39
6	Ion-acoustic compressive soliton in dusty plasmas having superthermal electrons	J. K. Chawla, P C Singhadiya	40-46
7	Sustainable Development in India	Dr. Mamta Chaudhary	47-49
8	Impact of Growth of Science and Technology on Fairs and Festivals of Jaipur	Anubhooti Singh	50-53
9	Effect of Medium on Hypersensitive Transition and Calculation of Judd-oflet Intensity Parameters to Explore the Interaction between Sm(III)-Imidazole Derivative in Different Environment	Shubh Laxmi, Mukta Ojha, Jatolia S.N.	54-57
10	A Brief Introduction about Biomedical Waste for its Sustainable Management	Deepa Bhambhani	58-62
11	A Short Study of Cyber Crime and Cyber Law's in India	Neeraj Singh Yadav, Dr Kaushal Kumar	63-70
12	Biochemical Studies of Black Gram Seeds Infected with Seed-Borne Fungi	Jagat Pal Singh	71-73
13	E-Waste- E-Cycle Management	Dr Archana Singh	74-83
14	Organisational diagnosis and importance of Management information system	Prof. Kamal Tiwari	84-87
15	Trends in Banking: Innovation in Banking at PNB Bank	Dr. Renu Nainawat and Ms. Shahida Bano	88-92
16	Moonlighting: exploring the significance and implications of balancing multiple jobs	Dr. Ritu Sharma	93-100
17	An interpretation of the legal rights of prostitutes in India: a context of the human rights violation	Himanshi Singh	101-105
18	A Study of Goods and Service tax (GST) in Small Scale Industries (SSI) in India	Neelam J. Chetiwal	106-112
19	Mining in Shekhawati Region: A Threat to Environment	Amita Kumari, Arti Sharma	113-119

20	Besnagar and Bhom: Two Paradigms of Ancient Canal Structures	Dr. Sunita Meena	120-126
21	Effect of positrons and nonthermal electrons on large amplitude ion-acoustic soliton in unmagnetized plasmas	P C Singhadiya, J. K. Chawla	127-136
22	Role of Communication and Soft Skills on Administration	Dr. Chandra Pal Yadav	137-142
23	Significance of Artificial Intelligence Techniques in Software Engineering to Reduce the Complexity of Software Development	Ms. Neelam Sunda, Ms. Nikita Gupta	143-147
